BRITISH HORSERACING INDUSTRY OVERVIEW SEMINAR

Provided by the British Horseracing Authority, this one-day course is ideal for anyone keen to expand their knowledge of the sport or to help further their career in the industry. It offers a friendly and fascinating introduction to the world of racing.

The packed agenda features talks from key figures in racing, covering many aspects of this complex and historical sport. Subjects covered include:

- The roles of the British Horseracing Authority and Weatherbys
- Racing in the media
- The racecourse perspective
- Breeding and stud industry
- The Rules of Racing

Delegates will learn how the various parties involved in racing work together to deliver a compelling and highly popular sport. You will have the opportunity to ask questions of some of racing's most experienced people, as well as meeting other delegates from around the industry.
