

## SUPPORTERS OF STABLE STAFF

The National Association of Stable Staff is sponsoring an organisation for racing enthusiasts and others to tangibly show their support for Stable Staff. But you don't have to be an enthusiast – how about wanting to see low paid staff improve their position. Opinion-formers are particularly welcome.

We know that there are a lot of you out there who would like to put your name to the cause of supporting Stable Staff. There has just not been a way to do it previously.

“Supporters of Stable Staff” is not a charity but an independent organisation which will demonstrate its support for the NASS Charter for Stable Staff and assist its implementation. Funds raised will be used solely for the purpose of this and the improvement of the position of Stable Staff. This could include funding research projects to support issues affecting Stable Staff and educational activities to help the advancement of individuals or Stable Staff generally.

“Supporters” will get sent a copy of the NASS quarterly newsletter and will receive separate correspondence on events, etc.

An Independent Board will be established from initial “Supporters” to ensure that the funds are used for the purpose outlined.

An annual set of accounts showing clearly how funds have been spent during the course of the year will be sent to each supporter/organisation.
